

Cranberry Station Elementary

We would like to welcome all new and returning families to the 2018-2019 school year! I am so excited to be volunteering as your PTA president this year along with an amazing and dedicated PTA board. We have a lot of exciting things in store for this year! Please continue to visit the PTA website and our Facebook page (Cranberry station elementary school PTA) to keep up to date with all our events, news, volunteer information, and so much more!

As the new school year begins, we ask for your support, in not only joining the PTA, but also volunteering. All parents and teachers are invited to join and support us in all events. For the PTA to be truly effective everyone's support is essential. Many parents do not join the PTA because they do not think that they can attend the meetings. We want you to know that it is OK if you can not make the meetings, there are many other opportunities to be part of the PTA community.

Keep in mind that by supporting the PTA at your child's school you are continuing to make resources available for your students such as Quaver (music ed) and Brain pop. Funds raised through our amazing fundraisers are helping support our children in our school with resources like agenda books, assemblies, sponsored family nights, birthday books and so much more.

On behalf of the entire PTA board, I would like to thank you in advance for all of your support. If you have any questions at all please do not hesitate to contact me. Have a wonderful school year and we are happy to have you as part of our CSE family!
